A Letter from the Pastor...

Christmas Time's A-Comin'!

As we turn the calendar to November, we are fast approaching the Thanksgiving holiday followed by the end of the church year. We then begin the new church year with the season of Advent on November 30.

Advent is a time of anticipation and preparation for the Advent (coming or arrival) of our King, the Lord Jesus Christ and His birth in Bethlehem.

Advent looks forward to both Jesus's first coming (his birth) and his second coming in the future. It prepares our hearts for both. During this season of Advent, similar to our secular world preparing for Christmas by shopping, baking, wrapping, and partying, the church prepares for the celebration of Christ's first arrival and looking forward to His second coming by a time of prayer and fasting, spiritual and penitential preparation.

Continued from previous page...

It is a time marked by
lighting candles pointing to hope, love, joy, and peace
on an Advent wreath, special
church services, devotional readings, and reflection.

The season of Advent is followed
by Christmas, the birth of our savior, Jesus Christ, as
foretold by the prophets of old.
Christmas is more than just a day, it too is a season, 12
days to be exact.

Yes, Christ and Christmas time's is A-Comin' and we will
celebrate with the giving of
gifts as we remember the greatest gift ever given to us:

*"For unto you is born this day
in the city of David a Savior, who is Christ the Lord."*

For this we sing praise to God just as the angels sang on
that first Christmas night and
as we still sing in the church to this day:

*"Glory to God in the highest,
and on earth peace among those with whom he is
pleased!"*

your king is
coming to
you;
righteous
and having
salvation.*

Longtime Members

Christian and Helga Chovenec

Helga and Christian first attended POP in April of 2004. They live in Cedar Hill and have an interesting history.

They both were born in Germany and raised in the Lutheran faith. Christian immigrated to the United States with his family at the age of 14. His family moved to Bloomington, IL and Christian started school speaking only German. Following graduation from high school, he enlisted in the United States Army and served for 20 years before retiring. During his 20 years of service, he deployed to Viet Nam and several times to Germany.

He met Helga in Germany, where they were married, and their first two children Britta and Christiana were born there. Britta and Christiana became US citizens as adults. Their third child John was born in California and at that time, Christian became a US citizen.

Helga raised their children as an Army wife, learning English and moving with her family during her their many deployments. She is well known for cooking delicious German dishes.

Beside their three adult children, they have five grandchildren and one great grandson. They just celebrated their 63rd wedding anniversary last week.

We are blessed to have the Chovanec family as members of POP!

Bishop Yohana Nzelu has suggested May 18-24th (travel May 14th, optional safari May 26-27th), but we're open to alternative dates due to graduation conflicts. We'll serve in the remote villages of Mwamadulu and Mihama, focusing on church planting and visiting ministry sites including the Buhangiji Albino Center.
